This Page: The Lost Mermaid

When we committed to publishing books that inspire “discovery and delight” we never dreamed how important that mission would become. Over the last couple of years, our team has received countless notes from parents, thanking us for giving both them and their children a break from, well...everything. I never expected to be thanked by moms around the country for publishing jokes about snot and farts, but here we are. Sometimes we all just need to laugh.

As we look forward to 2022, I make no claims to know what the future will hold. As for Xist, our course is set on the path that we have always been committed to following. We want to see kids reading, no matter what format it takes. We want to encourage curiosity and kindness through stories that make little ones smooch their faces closer to the page or screen—just to find out what will happen next. And yes, we want to hear children laugh.

In case you didn’t hear our big news, (in the middle of all of the other big news out there) Xist Publishing has moved to Texas. We’re now operating out of the Houston area and thankful for new friends, new libraries, and new schools where we can share our passion for encouraging young readers. If you’re local, please let us know. We want to be good neighbors!

Thank you for your support in the past year. It’s been a pleasure to see our titles make their way to children, despite all the difficulties. We look forward to a new season of sight words, silly stories, and above all, the magic of a good book.

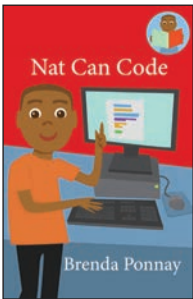

Keep Reading,

Calee

Calee Lee & the Xist Publishing Team

WolfWalker Readers

Based on the new animated film from Oscar-nominated studio, Cartoon Saloon

In a time of superstition and magic, a young apprentice hunter, Robyn Goodfellowe, journeys to Ireland with her father to wipe out the last wolf pack. While exploring the forbidden lands outside the city walls, Robyn befriends a free-spirited girl, Mebh, a member of a mysterious tribe rumored to have the ability to transform into wolves by night. As they search for Mebh's missing mother, Robyn uncovers a secret that draws her further into the enchanted world of the WOLFWALKERS and risks turning into the very thing her father is tasked to destroy.

Oh, Little Hoo! It's Not About You!

Little Hoo has a big lesson to learn: the world doesn't revolve around him. When playing with friends or spending time with family, Little Hoo gets frustrated when things don't always go his way. With careful correction and explanations, Little Hoo learns how to manage his feelings in this simple book for little ones. This social emotional text helps kids dealing with frustration and anxiety around friendships and provides language for parents and caregivers.

Unicorns AND Mermaids? In one silly, illustrated Joke book?

OF COURSE! Knock, Knock, Unicorn Who? is an illustrated joke book filled with unicorns, mermaids, narwhals, and other fun and magical creatures. Celebrate childhood joys with funny jokes sure to make little ones laugh.

Why can't Cinderella play soccer?

Because she always runs away from the ball.

Why was the ghost on the cheerleading squad?

It wanted to add a little team spirit.

What is an insect's favorite sport?

Cricket!

Knock, knock!

Who's there?

Wanda.

Wanda who?

Wanda race?

What do eagles do when they coach a sports team?

They wing it.

Why did the chicken cross the basketball court?

Because the referee called foul!

Why do basketball players love donuts?

Because they can dunk them!

Out of this World

Stink Up a Room with these Fart Jokes.

These jokes may be stinkers, but that will only get kids laughing more as farts, toots, and other bodily function jokes take center stage. Here's a stinker: Why are ninja farts

so dangerous? They're silent but deadly. This collection of illustrated jokes is sure to get reluctant readers engrossed in their reading material. Fart-tastic is part of the Illustrated Jokes series from Brenda Ponnay.

I See Animals

Series: I See Animals
Author: August Hoeft

Description:

I See Animals are beginning level nonfiction texts featuring the animals kids love. Beginning readers can learn all about animals in these short books in the I See Animals Series. With less than 20 unique words, kids can learn about interesting animals while building their reading fluency.

Each I See Animals book uses simple sentences, sight words, and vibrant photos to help even the earliest readers delve into a nonfiction text. The books all contain a note to parents and caregivers with tips for helping kids learn to read. A word list and post-reading activities are also included in every I See Animals book. These books are all Guided Reading Level C.

The Techniques

Realist artists became popular after the French Revolution of 1848, as the working peasants rose against the rich and powerful.

These artists thought that art should show ordinary people and ordinary places.

The Impact

Realism is important to art because it was the first type of art that showed poor and working people in a positive way.

Realism is also important because it influenced other styles of art, like Impressionism.

Your Turn

Now it is your turn to make a Realist painting.

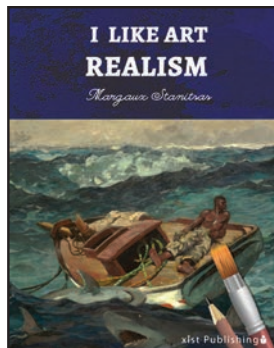

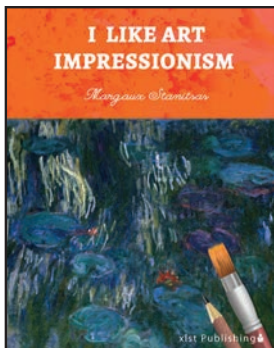

What will your painting be of?
 Will you paint working people or animals?
 What will they be wearing?
 What colors will you use?

Glossary

Depicted: Shaved
Levellers: Fancy things for the rich
Peasants: Poor farm workers
Genres: Styles of art
